Section 1 - how to complete this form

Country of study

If you are not sure where you will be studying during academic year 2020/21 tick the box of the country you expect to be studying in.

If you choose to apply for a Tuition Fee Loan for academic year 2020/21, the regulations regarding repayment of this loan are different for each country.

Tuition Fee Loan **REPAYABLE**

All students can apply for a Tuition Fee Loan to cover the fees that are charged by their university or college.

If you are unsure about the tuition fee amount you will be charged, please contact your university or college for clarification.

You may not be eligible for a Tuition Fee Loan if you already hold a UK degree.

The Tuition Fee Loan borrowed will be paid directly to the relevant university or college, in three instalments within the academic year, once your attendance is confirmed.

Country you will be studying in	Maximum Tuition Fee Loan available	Private university or college (maximum Tuition Fee Loan available)
England	£9,250	£6,165
Northern Ireland	£4,395	£4,395
Wales (course started on or after 1 September 2012 and before 1 August 2018)	£4,450	£6,165
Wales (course started on or after 1 August 2018)	£9,250	£6,165

If you are studying England or Wales and are in the first year of a graduate entry medical or dental programme course you can apply for a Tuition Fee Loan of up to £5,535 (if fee charged is £9,000). However, you will need to pay the first £3,465 of the tuition fee amount charged by your university or college in your first year. You may receive funding from the NHS for following years.

Bursaries and Scholarships **NON-REPAYABLE**

Bursaries and scholarships are financial awards made by some universities and colleges to provide additional assistance to their students. The amount offered would be at their discretion.

Students who started their course in academic year 2006/07 or after may be eligible for a bursary or scholarship from their university or college. If you are eligible for a bursary or scholarship from your university or college you will be assessed for this automatically and you will be sent a further form to complete.

Section 1 - how to complete this form

Continued

Fee Grant **NON-REPAYABLE**

If you will be studying in Wales and your course started on or after 1 September 2012 and before 1 August 2018 you may be eligible for a Fee Grant if the tuition fee charged by your university or college is more than £4,720.

The Fee Grant amount is the difference between the maximum Tuition Fee Loan available (£4,720) and the tuition fee being charged by the university or college.

For example;

Tuition fee charged (up to £9,250) - Tuition Fee Loan maximum (£4,720) = Fee Grant entitlement (up to £4,530)

You don't need to apply for a Tuition Fee Loan to receive a Fee Grant. However if you choose not to apply for a Tuition Fee Loan you will need to pay the difference to your university or college.

Your Fee Grant will be paid directly to your university or college in three instalments within the academic year.

You will not be eligible to receive the Fee Grant if you are undertaking a course at a private university or college in Wales.

You can get more information about student finance online by visiting the website for the country you are studying in.

Course type

c Full-time undergraduate course

For these courses you will attend university or college on most days of the week and for most weeks of the year (apart from weekends and the usual holidays). You must attend the course for at least 24 weeks in the academic year, unless it is the last academic year of the course, in which case you must attend for at least eight weeks. Full-time postgraduate Initial Teacher Training (ITT) course

For these courses you must attend full-time, for either study or teaching practice, for an aggregate of at least six weeks in the year. If your periods of full-time study, including teaching practice, amount to less than six weeks you may only receive a reduced rate Tuition Fee Loan. You will still be considered to be attending your course even if arrangements have been made by your university or college for you to take the course without having to attend.

Full-time distance learning

Distance learning is a programme of study that comprises video, printed and online materials that allows students to study at home with a tutor based elsewhere.

Full-time foundation degrees

Foundation degrees are employment-related higher education qualifications designed to give you the skills needed at the relevant professional and higher technician level. They are designed to be flexible to suit different situations, and you can complete foundation degrees in two years if you study full-time.

c2 If you are eligible to receive a **non-income assessed bursary** then you are **not** eligible for any other student finance unless you are a seconded student studying a health related course and you have been advised that you cannot apply for any bursary at all, either income or non-income assessed.

If you are unsure about your eligibility for a bursary, contact the National Health Service Business Services Authority (NHSBSA) helpline on **0300 330 1345**.

Tuition Fee Loan

The maximum tuition fee amount you are charged may vary depending on which country you study in.

Your Tuition Fee Loan will be paid directly to your university or college in three instalments within the academic year.

You will be liable for your Tuition Fee Loan from the first day of each term **not** the date when the instalment is paid to your university or college.

Liability date	% of total Tuition Fee Loan that you will be liable for
First day of Term 1	25%
First day of Term 2	50%
First day of Term 3	100%

If you are unsure when your term starts please contact your university or college.

Each payment is made after we receive confirmation from your university or college that you are in attendance at the start of each term. Interest will be charged from the day we pay the Tuition Fee Loan to your university or college.

Applying for a loan at a later date or changing the amount requested

You can apply for a Tuition Fee Loan at any time in the academic year provided you are within the time limit. The time limit for applying is usually 9 months from the start of your academic year.

To apply for a Tuition Fee Loan, or to change the amount you originally requested, you can download a Tuition Fee Loan Request form online by visiting the website for the country you are studying in.

If you cannot sign the form it must be signed on your behalf by your Power of Attorney. The Power of Attorney letter must be sent with the application before a signature from that Power of Attorney will be accepted.

Change of circumstances

You must notify the Student Loans Company about any change in your circumstances, which may affect your entitlement to financial support.

To tell us about any changes in your circumstances you must complete a Change of Circumstances form (EUCO1). This form is available online.

- you repeat part or all of a year of your course; or
- the date of the start or end of your course changes.

Information about data sharing for bursary and scholarship purposes

Universities and colleges may offer financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - 'bursary administration purposes') they will ask the Secretary of State (if your place of study is in England), the Welsh Ministers (if your place of study is in Wales) and the Department for the Economy and the Education Authority (if your place of study is in Northern Ireland) and the Student Loans Company for access to information you provide in connection with this application for student finance (whether on this form or at a later date).
