How to complete this section

If you are a single parent of the student

Enter your information as Person 1, leave Person 2 blank.

If there are two parents in the student's household

Complete this section with information for both Person 1 and Person 2.

If you are the partner of an independent student

Enter your information as Person 1, leave Person 2 blank.

Use the supporting notes to prevent any delays to the application

Where you see this icon it means there's additional information in the Supporting Notes which will help you complete your supporting application.

This could be information about how to complete a question or section or an instruction to send specific supporting documents.

Read the notes – if you don't answer a question or section correctly or you don't include the documents we need this will delay the students application.

What details do I need to provide?

You need to provide:

- your personal details, such as your name and address;
- your National Insurance (NI) number (if you have one);
- details of any income from the UK or overseas for tax year 2022-23 that HM Revenue and Customs (HMRC) doesn't know about;
- details of any pension payments you made for the tax year 2022-23; and
- details of any other dependants.

Why do I need to tell you my income from the 2022-23 tax year?

We use figures from this tax year because it is the most up-to-date information that HMRC holds for you.

You must tell us your 2022-23 income details as we cannot accept amounts from any other tax year. This ensures the student(s) you're supporting receives everything they're entitled to.

What happens if my household income has dropped since tax year 2022-23?

If your household income is expected to or has dropped by at least 15% since tax year 2022-23, you can apply for a current year income assessment. This means we'd assess the student for funding based on your estimated income for tax year 2024-25.

You must still complete this form but can provide a more up to date income figure later to ensure the student gets paid the right amount. Read page 12 of the supporting notes for information on how to apply for a current year income assessment.

Additional information

To find out how we'll use the information you provide go to www.studentfinancewales.co.uk/privacynotice to read our Privacy Notice before completing this form.

Give permission for someone to contact us on your behalf

If you'd like to give permission for a nominated person to talk to us about your account, you can use this form to set up Consent to Share (CTS) for them.

A nominated person could be:

- an individual person such as your parent, foster parent, sibling or partner; or
- a university/college advisor or a third party advisor. A third party advisor could be a social worker, personal advisor or charity advisor (from organisations such as WeBelong, Become or StandAlone).

What your nominated person needs to know

When they call us, they'll need to pass our security authentication using the details you provide on this form. They'll be able to discuss and ask for:

- any information about your account, except for your bank details
- the status of your application and any evidence that we need
- correspondence you've been sent or request forms for you

What do I need to do?

Section A - Complete this if you want to give permission to an individual person.

Section B - Complete this if you want to give permission to a university/college advisor or a third party advisor.

You can set up CTS for both an individual person and an advisor using the same access code.

If any of the details on this form are left out, we can't set up CTS.

Once you complete this form, please return it with your application form.

Is there a way to allow a third party to make updates to my account?

You can give Power of Attorney (PoA) to a third party. A PoA is an official document where you can appoint an attorney allowing them to release or update information relating to your account. A PoA must contain the specific period for which the third party can act as an attorney, and the specific tasks they can perform. You can still complete the sections of the form below and send us a copy of the PoA document. As above, the person holding PoA must pass our security authentication.

I've changed my mind and no longer wish to give permission. What should I do?

You can remove your permission at any time. To do this, call us on **0300 200 4050** or write to us at:
