### Before you complete this form

For the student to be assessed based on your estimated income for the tax year 2020-21 we need to be able to compare your estimated income with your actual income for tax year 2018-19.

Have you told us your financial details for tax year 2018-19?

If 'No' you must give us your financial details. You can download a form at: [www.studentfinancewales.co.uk/forms](http://www.studentfinancewales.co.uk/forms)

#### Person 1

Yes  No

#### Person 2

If you're awarded a current year income assessment, we'll use your finalised 2020-21 household income to work out how much the student can get if they apply for funding based on household income in the 2021/22 academic year. If your income will fall by a further 15% in 2021-22, you can apply for a further current year income assessment.

### How do I complete this form?

Start by completing Section A and then work your way through the form. (Depending on your circumstances you may not need to complete every section.) Don't forget to sign the Declaration at the end.

- Section A – tax credits and income support
- Section B – your financial information
- Section C – other income
- Section D – income deductions

Notes to help you complete some of the questions within the form can be found every time you see this icon.

## After I have sent you my completed form, do I need to do anything else?

Yes, but not just now. After tax year 2020-21 has ended, we will contact you and ask you to confirm, with evidence, your actual earnings for that tax year.

These evidence items will be the same documents that you send to, or receive from, HM Revenue & Customs. For example, a P60, SA200 or Self Assessed Tax Return.

If your actual income is different from your estimates we may adjust the amount of student finance awarded. If we have paid the student(s) too much we may have to recover student finance from them.
